THE CADIZ SENTINEL.

EDITED BY L. HARPER.

"HE IS A FREEMAN WHOM THE TRUTH MAKES FREE,"

CADIZ, OHIO: WEDNESDAY MORNING, MAY 22, 1844.

HARRISON COUNTY MUST BE REDEEMED. DEMOCRATIC TICKET.

REPRESENTATIVE CHARLES WARFEL AUDITOR, JOHN SHARP. RECORDER. MATTHEW M. SLOAN. Col. DAVID FINNICUM. DIRECTOR OF THE POOR, JACOB HINES.

The absence of the editor will account for any omission which may occur in this number.

We this day conclude the masterly speech of Dr. Duncan. We know it will be read by thousands who are not subscribers to our paper. It gives a withering exposition of the infamous scenes resorted to by the federal party to gain

The Texas Treaty will be found in the day's paper.

The Country-the Crops.

when every thing betokened for the husbandman, pressly for us, by Mr. Joseph Tixoley, of this immoralities, might be induced to support him, following strong language against the attempts immoralities, might be induced to support him, to some of 1840. a more plentiful return for his labors, than at place, a young artist of great promise, whose if his name was associated with that of a professpresent. He who has promised to man that talents are justly appreciated by every person ing Christian! Will the Christian community electioneering campaign is to be characterized seed time and hasvest shall never end, seems to who enjoys the pleasure of his acquaintance, submit to such an arrangement? We will see, by the same distentiable scenes of riot and desparing land. The crops of every description Ware, also of this place, a young gentleman, OCT Captain Tyler's last card to make himin the eyes of this world, and also the next world, look beautiful, and are more advanced than we who, although following another business, has, by self a wonderful man, is to build up a Texas with the exception of that portion of it for which ever before knew them to be thus early in the perseverance and industry, acquired a pretty party, by advocating immediate annexation. He these damken and vile orgies prepared those who season. The country is now charming-all na- good knowledge of the art of engraving. We appears to be exceedingly anxions to drive the participated in them.

Goes to the Penitentiary.

WHEN A SHEET WAR.

THE NEW MIDROR

LITERATURE AND THE FINE ARTS: Edited by G. P. Morris & N. P. Willia. ch Number containing a beautiful Steel Engraving.]

MOOD as the Mirror has hitherto been (good enough If to prosper) we have edited it as the Lizaelites built the walls of Jerusalem-with the best hand otherwise imployed. The beginnings of all enterprises are diffi--more especially beginnings without capital-and ne attention of one elitor has been occupied with the nanagement of the machinery now in regular operation, while the other, till the concern should be prosperous, vas compelled to labor diligently for other pub One by one (to change the figure) these hindering barnacles have been washed off our keet by going more sapidly ahead, and, with the beginning of the third volno, BOTH EDITORS Will be ENTIRELY and EXCLUSIVELY lovated to the MIRROR-equal to setting studding sails a low and a loft with the wind dead an, full and steady, Of course she will now go along " with a bone in her mouth"—as they may of a crait with the foam on her

We live in the middle of this somewhat inhabited island of Montattan, and see most that is worth seeing, and hear most that is worth hearing. After the newspapers have had their pick of the news, we have a trick of making a spicy hatch of the remainder, (gleaning many a choice lit, by the way, which had been overlooked or slighted) and we undertake, hereby, to realr of Casso Bay or the Pilot's Daughter; The Lord keep the readers of the Mirror up to the times. Every body reads the newspapers and gets the outline of the world's going round—but we shall do just what the newspapers leave undone—fill up the untiline—tell you some more," (as the children say)-put in the lights and shadows of the picture done by newspapers in the tough. It is what we have tried to lo in our "Letters to the National Intelligencer," and as our brother editors seem to think we have succeeded, we will (as we The above have just been received, and can be had more deshy and lighter ve n, resume these metropolitan

sketches in the Mirror. AMILY Medical Library.—A treatise on the pre-renton and once of diseases, by regimen and she plate of each number for built what it is worth, you get A record for your ear, dear reader :- By selling the vention and care of discases, by regimen and sim-ble remedies; revised and enlarged, with the edition of his to put in an album-end the whole Mirror costs a vegetable materia medica, pointing out the virtues, but lax-pence! So it is, in fact, for nothing that you tration and doses of our most valuable native med- 50' sixteen pages of the best Eterature that we can pro-Illustrated with 100 engravings, 6 of which are colored bout town that are seldomest described and best worth at A.L.
